THE MOST TRUSTED CRANE HIRE COMPANY ON THE MARKET

Audi cranes is a family run business. Since our formation in 1982 we have gained a wealth of experience and knowledge within the crane hire industry. We are committed to maintaining the most modern and advanced equipment there is, by continuously developing and updating our excellence of crane hire in Lebanon.

Over the past number of years we have extended our fleet of cranes to facilitate all our customer needs. From the very compact 2 axel truck crane to our 300 ton all terrain crane.

Etie Audi
Managing Director

The Newest Mobile Crane Fleet In Lebanon

Due to continued investment over the past number of years **AUDI CRANES** own now the Newest Crane Fleet in Lebanon.

As a family runs business we offer the customer, our personal attention from the time the query is placed to the eventual completion of the job.

Our fleet of cranes, ranging from the 2 axel truck crane to the 300 tone all terrain crane, can be seen working in various sectors from the construction to the chemical and engineering industries. All cranes are maintained to the highest standard and operated by experienced operators.

ALL TERRAIN CRANES

AUDI CRANES prides itself on total commitment to safety, reliability and quality of service.

We can supply certified banks men, man baskets, two way radio and spreaders bars.

**AUDI CRANES IS THE
SMARTEST, SAFEST CHOICE
FOR ANY LIFT.**

QUICKLY • SAFELY • EFFICIENTLY

Mission Statement

AUDI's mission is to become the Lebanese leader in crane rental services and heavy lifting. We are able to offer our customers ready-made innovative solutions thanks to our subsidiaries.

The **AUDI's** Management is committed to implementing a company-wide policy regarding its employees' safety and health, protection of the environment and the quality of its services.

AUDI's is responsive to the needs of its clients, its employees and complies fully with the legislation and operational standards in force.
