

AUDI CRANES

Audi cranes is a family run business that has been serving the crane hire industry in Lebanon since 1982. Our years of experience always work in our favor as we consistently manufacture top quality crane hire service.

Audi cranes owns the best machinery to serve their customers' needs including a comprehensive fleet of all-terrain, rough-terrain, truck-mounted cranes and special equipment that are capable of completing any size project. Audi cranes provides its valuable customers with heavy lifting solutions including jacking, skidding, engineering industries, civil constructions and weighing services in addition to bare crane rentals and complete turnkey solutions including transportation/ delivery, hauling in and set in place using our cranes.

Audi cranes team is qualified, well-equipped and ready to evaluate your cranes needs and develop the most effective cost solution from the initial design all the way up to the finished installation by assisting you with all your cranes requirements, CAD drafting service, safety standards and inspections along with on-site representatives. Not only we conform to the highest standard of safety as required but we have also developed efficient methods and processes with the emphasis quality and trustworthy service.

OUR MISSION

Our personal belief in professional service and honest business ethics prompt us to address the needs in the specialized market.

Our mission is to always put safety first for our team, clients and the community. To serve, support the customer relation skills and leave them satisfied with every step on the way. We strive for reliability by having the best cranes with a focus on a cost effective outcome and to invest in training and developing the ability of our greatest asset, our team, to exceed customer needs.

OUR VISION

Our vision is to be our customers' trusted partner, work hard and create a mutual brilliant future to become the most successful and respected company.

We aim to acquire the largest share of the crane & heavy lifting business in all the segments and sectors.

OUR VALUES

Leading by example, our management team entrusts the same quality and honesty service motto onto our employees and customers.

With our total service commitment, safety policy and integrity we attempt to make profit and invest this profit to expand the company to meet the needs of others.

We embrace change and challenge. We are flexible, adaptable and versatile.

We evaluate and critique all the areas of our company with an eye of improvement.

Our team and our customers are our most important assets.
